OFFICE, WAREHOUSE & DISTRIBUTION CENTRE

DCUK in the UK occupies approximately 100,000 square feet facility of offices, warehouse and distribution centre serving all our business categories.

This state of the art facility provides a turn key solution in procurement, fulfilment and distribution to our customers. We are conveniently located near the heart of London and strategically positioned near Heathrow in distributing genuine luxury products to UK, Europe and Worldwide markets.

OUR MISSION

We aim to deliver a high quality, long lasting fragrance experience to emphasise long term relationships through outstanding services and a personal touch.

Setting new standards for quality by designing a system that guarantees perfume authenticity and upholding the highest ethical standards whereby counterfeits are the things of the past.
